Mr. Richard C. D'Amato
Subcommittee on Defense
Committee on Appropriations
United States Senate
Washington, D.C. 20510

Dear Mr. D'Amato:

Pursuant to your request, I am sending you the language which we believe should be added to Section 319 of the Interior Appropriations Act in order to protect Intelligence Community equities. Section 319(a)(6) should be amended to become Section 319(a)(6)(A). A new Section 319(a)(6)(B) should be added which would state: "Notwithstanding clause (A) of paragraph (6), statements filed involving intelligence matters shall only be reported to the Senate Select Committee on Intelligence, the House Permanent Select Committee on Intelligence, the Senate Appropriations Committee and the House Appropriations Committee in accordance with procedures agreed to by those committees and shall not be made available for public inspection."

Thank you very much for your assistance in this regard.

Sincerely,

Legislation Division
Office of Congressional Affairs
